ATTORNEY - CLIENT RELATIONSHIP
CONFIDENTIALITY

DISCLOSURE INTENDED TO PREVENT CONFLICTS OF INTEREST

I acknowledge that I am here to meet with an attorney of MOONEY & ASSOCIATES for the purpose of consultation on the law in general. I understand that an attorney-client relationship is not entered into unless an agreement for representation is made in writing and signed by an attorney of MOONEY & ASSOCIATES.

I am aware that I may disclose information during the consultation which I may deem private and confidential, but I understand that until a formal representation agreement is executed, MOONEY & ASSOCIATES will not treat this information as privileged, and I release MOONEY & ASSOCIATES from any obligation to protect such communication unless or until a formal written agreement for representation is executed.

I further understand that if I do not retain MOONEY & ASSOCIATES, it is possible they may undertake representation of parties adverse to my interests, including the matter discussed in this consultation.

I further understand the fee I pay for the consultation is not a retainer fee, but is an administrative fee.
